G. H. S.

1925

So live, that when thy summons comes to join
The innumerable caravan, which moves
To that mysterious realm, where each shall take
His chamber in the silent halls of death,
Thou, go not, like a quarry slave at night,
Scouraged to his dungeon, but, sustained and soothed
By an unfaltering trust, approach thy grave,
Like one who wraps the drapery of his couch
About him, and lies down to pleasant dreams.

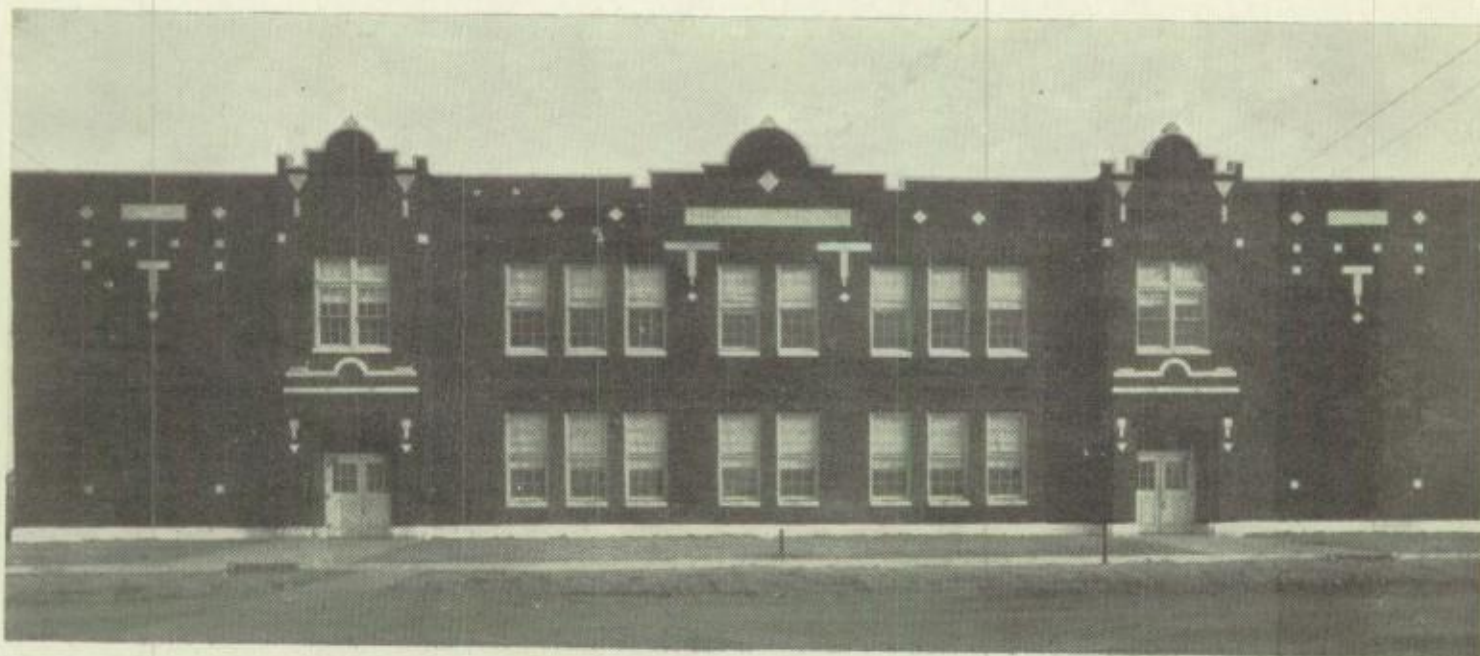

FORWARD

Another year has passed, and here another volume for your dust covered shelf.

As Prehistoric Man laid the foundation for culture so we try to recall the activities that have passed away and the many pleasant experiences in our school year at Garber Hi.

To portray the typical G. H. S., we present the Garberite of '25.

LOYALTY TO OUR SCHOOL

Loyalty to one's school demands good scholarship, good sportsmanship, the respect of one's teachers and fellow classmates, and a regard of the traditions of the school.

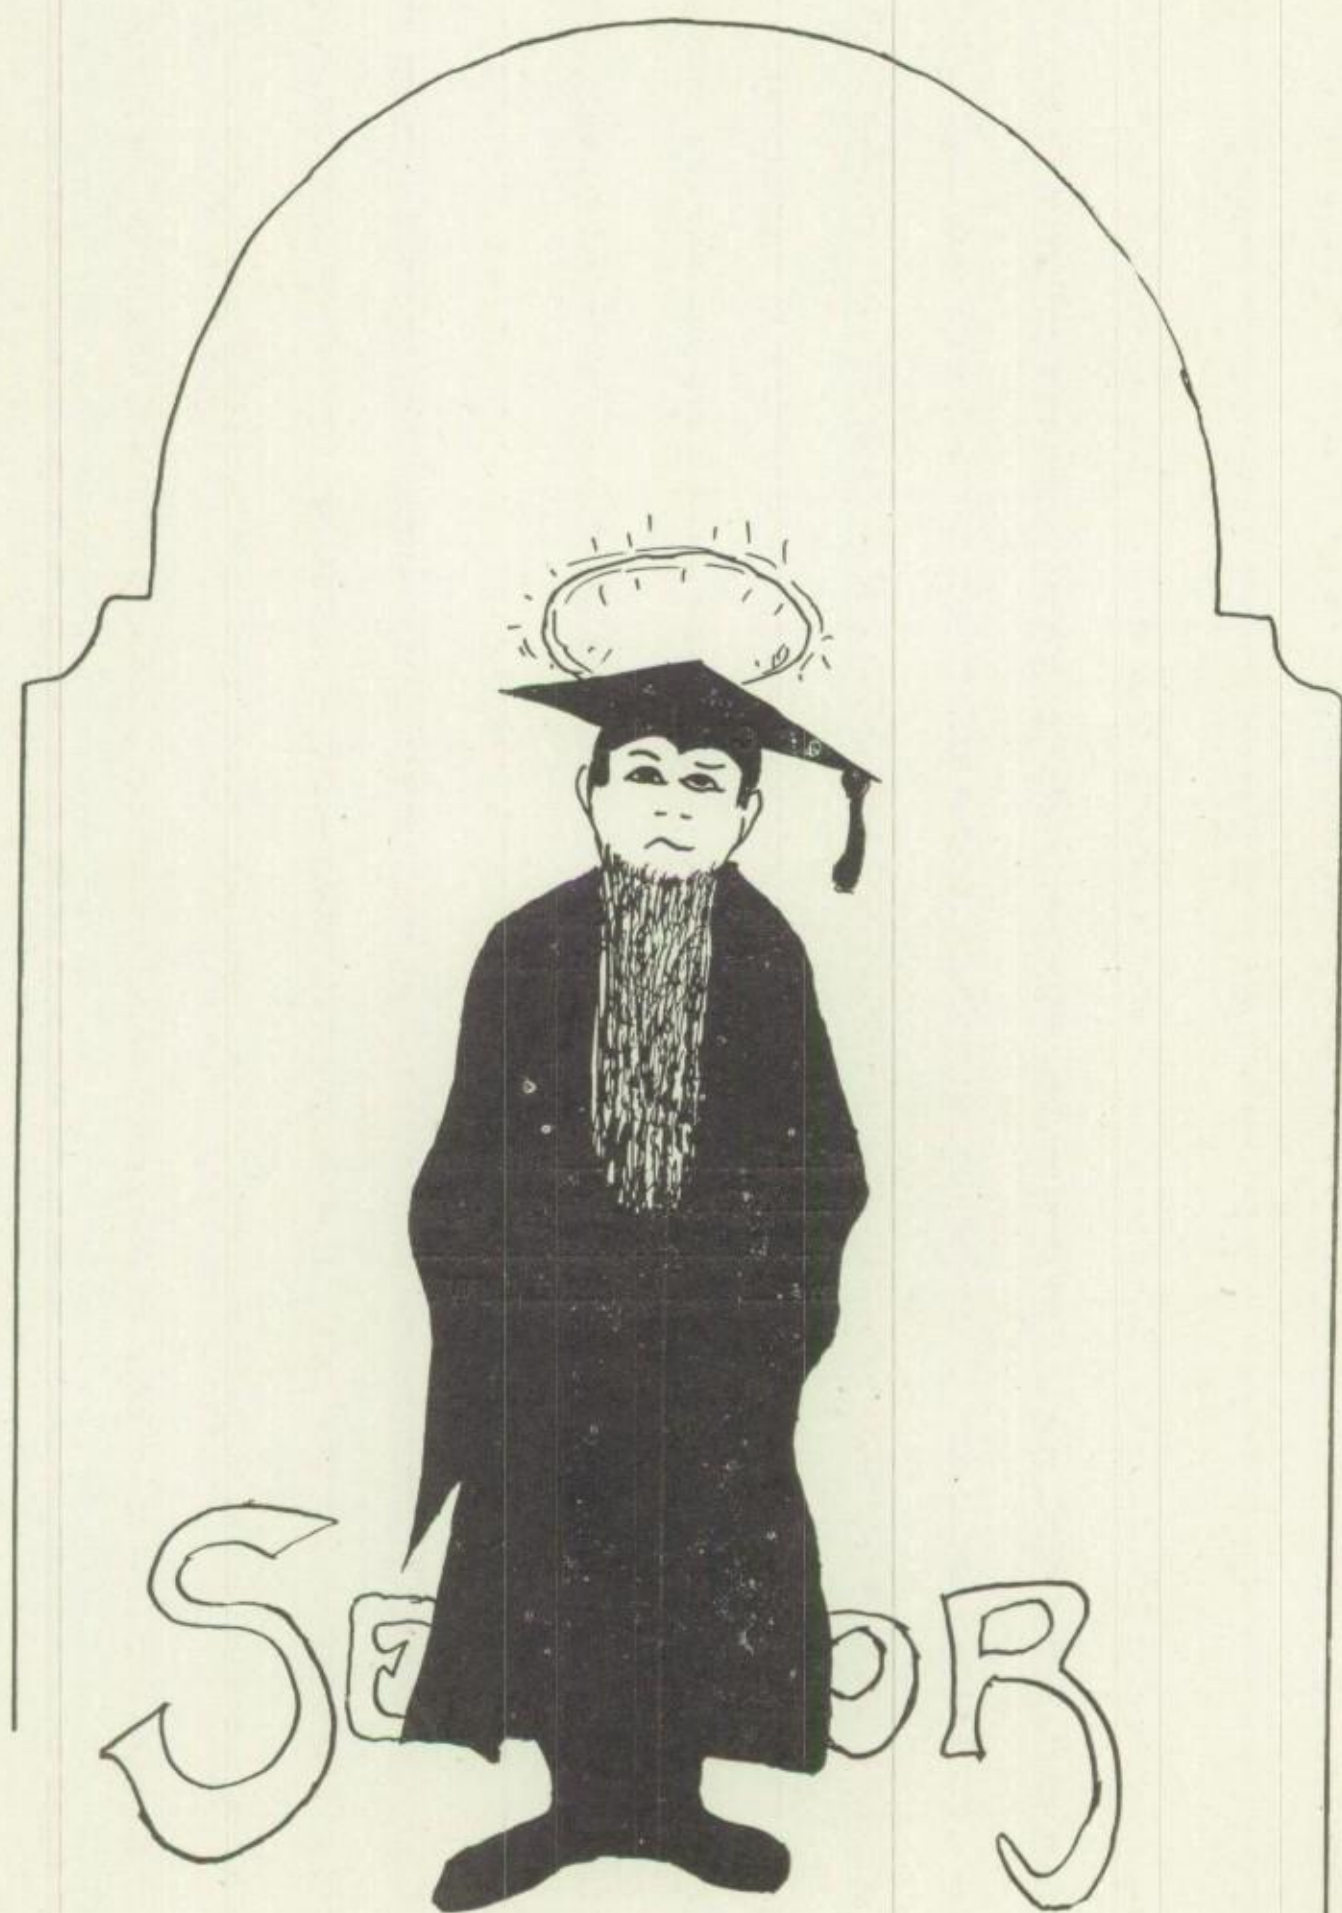

School loyalty exemplified through good scholarship consists not only of just a few doing good work and the remainder of the pupils just doing enough to pass, but of each one doing the very best work of which he is capable. The intelligence of the school is determined by the average of all the scholars, not by the grades of a few who make the highest grades, and of course we all want our school to rank high mentally.

Outsiders judge our school in a large measure by the sportsmanship displayed in our matched games. Anyone can be a good sport as long as he wins, but a loser who knows how to take a defeat is the one who really shows loyalty to his school.

Outsiders also judge a school largely by the respect we show to our teachers and fellow classmates. If we gossip about them and their work, we are really undermining the character of the school. A respect of one's fellow-classmates is also shown in the regard for our fellow students.

A well known educator has said that the habits we form in school are more beneficial to us than the knowledge we gain. A person who learns in school the habits of obeying rules, refraining from gossip, respecting other persons property, and good sportsmanship, is the one who will be more capable of succeeding in life than the person who did not learn these little habits.

HISTORY OF THE CLASS OF 1925

The History of the Class of 1925, of Garber High School, is in this wise:

On the fifth day of September in the year of 1921, there entered into this Land of Learning thirty-five seekers of Knowledge. Some came up from the eighth grade, some were fresh from the country, and some from other halls of instructions.

The ones that came up from the eighth grade in other halls of instructions were: Marguerite Moan, James Devoracek, Opal Conn, Kenneth Evans, Clarence Daughetee, Opal Kretchmar, Lucy Tutwiler, William Taft, Lawrence Minge, Demmis Macy, Austin Beckwith, Nellie Klement, Eugene Dolan, Duane Baker, Eddie Krivohlavek, Gertie Klophenstine-Letcher, Thelma Wells and William Matteson.

Those that were fresh from the country were: Velma and Clyde Bruce, William and Ralph Duncan, Carl Simms, Ladd Vencl, Ruby and Pearl Miler, Clarence Davis, Hannah Janssen, Claude Workman, James Gibson, Bertha Green, Mary Vencl, Sophie Schriber, Leona Wooden.

As we entered this Land we were received with wide welcoming and rejoicing by those whose duty it was to lead us up the slippery steps, we were timid and green but eager to grasp every opportunity that came our way, and show the world what a success we could make.

At the close of the first year we had the honor of being the first class to graduate from the Junior High School.

On with the next year in this Land of Learning we found more success. When we encountered stumbling blocks we united our efforts and pushed on to our next year. At the end of our Sophomore year we found a large number of our class leaving because of various reasons. Thus decreased the number in our Junior year we found to be only twenty-six in the Land of Learning.

We had a few new members that joined us at that time who were: Mable Boyer, from Enid; Edythe Birdsall, from Goodwell; Lois Toben, from Texas; Alta LeForce, from Enid; and Doris Rosenberger, from Garber.

While we were Juniors we were commented on our brilliancy and remarkable enthusiasm. Failure is a word we have never met with.

So we passed on our way through the Land of Plenty and Promise into the grounds of the Senior Class.

Now this being the fourth year in the history of this class of 1925, we can admit it has been of much hard labor, and but little resting by the wayside; for preparations are being made for us to take our final departure from this land.

This year two more members joined us, Frances Weiser, from Montana and Nina Fager from Guthrie. At this time we find in the Land of Learning twenty-three seniors that have the honor of being named in this class history. They are: Mr. Adams, Sponsor. Mabel Boyer, Alma Houser, Edythe Birdsall, Frances Weiser, Lois Toben, Rose Baker, Marguerite Moan, Doris Rosenberger, Mary Vencl, Nina Fager, Allen Daniels, Glen Croft. William Taft, Ladd Vencl, Otho Sparks, Lawrence Minge, Glen Goeler, Eddie Krivohlavek, James Devorack, Clarence Davis, William Duncan, Ralph Duncan, James Gibson and Carl Simms.

Four years has this class of 1925 so-journed in the Land and gathered in large portions the fruits from the Tree of Knowledge. Now we must depart and each go to a separate way to lands that we know not.

So may the blessings that ever attend the noble, good and true, follow and abide with us, each and all, now and for evermore.

—Mary Vencl.

THE SOPHOMORE CLASS OF '25

The Sophomore class of '25 has a membership of thirty-five.

There are fifteen of our present members who graduated from Junior Hi in 1924.

They are: Rose Klopfenstine, Ivan Millard, Ruby Lee Ray, Georgina Adams, Sylvia Roland, Lonna Lyhene, Hubert Erwin, Earl Gregg, Lula Lawhorn, Iva Mayhew, Linfred Goodman, Amy Hangartner, Mable Janssen, George Rhodus and Isa Mae Crane.

Four who made their credits in Summer School were: Mary Lafferty, Maxine Dodd, Wilma Ferguson and Richard Ward.

Those who finished the first semester of '24 were: Fred Wilkins, Edward Moan, Jimmie Krivohlavek, Vera Toler, Bruce Janssen, Arthur Sims, Velma LeForce, Faye Snoddy and Harold Kindt.

As new members of our class this year we have: Edwina Reynolds, from Midian, Kansas; Olive Vaughn, from Denver, Colo; Olive Dillard, from Hunter; and Geneva Green, from Carrier, Okla. Cleo Robertson and Grace Dennison, who graduated from Junior Hi with the class of '23.

We lose to the Junior Class, this year, Grace Dennison and Sylvia Roland.

The Sophomore Class, this year, is a peppy bunch, having as their Sponsor, Mrs. R. D. Eaton.

We have the honor of having Garber's two star athletes in our class, Fred Wilkins and Hubert Erwin.

Sylvia Roland, our class president, is also yell leader and president of "The Peppers Club." Her assistant is Rose Klopfenstine, another Soph.

Lula Lawhorn and Rose Klopfenstine won first and second places in the Better Home Lighting contest, in which the whole school competed.

So the Sophomore Class is ready to prove their boast as the best class in Garber High.

SENIOR CLASS HISTORY

There are forty-four members in the Senior Class. Thirty-eight of whom are classified with enough work to graduate at the end of the year. Besides these there are a number in Senior High School who belong down stairs, but on account of lack of room all who have any ninth grade credits were moved up stairs. Some of these will receive their diplomas at the end of the first semester and some not until spring.

The officers of the Senior Class are:

JUNIOR HI HISTORY

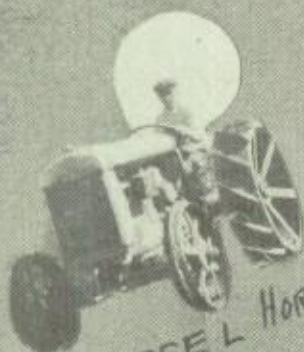

There are one hundred thirty-five pupils in Junior Hi School. Forty-eight of them are in the Sophomore Class, Thirty-nine in the Junior Class and forty-four in the Senior Class. The Sponsor of each class is as follows:

Sophomore.....	Mr. Boyd
Junior.....	Miss Pauline Overholt
Senior.....	Miss Mary Overholt

The Junior High Literary Society started to have its meetings about a month after school began and has met regularly since then.

All the boys and girls in the school are interested in athletics. There were several Junior High boys who played on the Senior High football team. They were: George Bowen, Kenneth Riggs, Donald Toben, Cleo and Theo Dillard, J. C. Failing and Earl Hutcherson. There was also a Junior High football team. It played three games and won two of them. These games were with the Enid Junior High Schools. The basket ball season promises to be just as interesting.

The Junior High boy's team has played three games and won all of them. Junior High girls also have regular practice with Miss Crowe as coach. Bernice Cloud is captain of the team.

Garber quintette of '25, is composed of the following: Captain, Eddie Krivohlavek; Fred Wilkins, Hubert Erwin, Glen Croft, Otho Sparks. Subs: Jimmie Dvoracek, Cleo Dillard, and Theo Dillard.

Of the total 463 points made by Garber, both in tournaments and matched games, Wilkins, forward, made 229; Croft, forward, 121; Erwin, center, 80; Krivohlavek, guard, 23.

G. H. S. won the Conference tournament at Lamont, and played in the semi-finals in the district tournament at Blackwell.

The school and community are very proud of the '25 team and we regret that we must lose Eddie Krivohlavek and Otho Sparks through graduation. To Coach Boyd we owe, in a great measure, the success of the season.

Miss Crowe comes to us from Missouri University. She has proven herself to be a very efficient substitute for Miss McCafferty, who was unable to come back this year. She has also shown great ability in coaching the girls basket ball team.

HOME ECONOMICS

Home Economics has been a part of Garber High School for the last six years. It has for its aim in cooking, the planning and serving of hot lunches. The sewing department, plans the sewing of plain garments and Domestic Art.

Home Economics started in the old building in 1919 with a kitchen shower given by the students and the donation of three sewing machines by the Red Cross. The equipment has increased to twelve hundred dollars.

Garber High School offers a three year course in Home Economics. The first year consists of one semester of elementary sewing and one semester of elementary cooking. There are over twenty girls enrolled in this class, and with the assistance of the Third year class, they are doing the cooking for the cafeteria.

The second year includes advanced work in cooking the first semester while the last semester is Domestic Art.

Only Juniors and Seniors are allowed to enroll in this work. The third year takes up household decorations and furnishings and first aid. They are required to cook the most elaborate foods. They are also required to prepare and serve the various banquets given at the school house. There are about sixty-five girls enrolled in all three classes.

Mrs. Harrington has always been the head of the Home Economics department. With the exception of help from Mrs. Harrington the cafeteria is managed by the girls of the school.

There is an average of seventy-five persons served daily in the cafeteria.

JUNIOR HIGH LITERARY SOCIETY

The first meeting of Garber Junior High Literary Society was held on October 16, 1924, under the direction of Miss Pauline Overholt. At this meeting the following officers were elected for the year:

President.....	Lois Rosenberger
Vice-President.....	Robert Lee Hutcherson
Secretary and Treasurer.....	Anna Maud Clow
Sergeant of Arms.....	Earl Hutcherson

The purpose of the Society is to teach pupils how to speak in public without embarrassment and to think clearly on any subject.

Only members of Junior High School are eligible to attend meetings and every member must appear on the program at least once every year.

The Society has met every two weeks since it has been organized with an average attendance of twenty-three members.

—Lois Rosenberger.

A TRIP TO CHICAGO

Ralph Blaser, Lewis Kapka and myself having been fortunate enough to win first place in livestock judging at Oklahoma State Fair were awarded free trips to the International Livestock Exposition at Chicago.

Before leaving the state we visited the Oklahoma A. and M. College where we practiced judging some of the best livestock in the state

We left on the Santa Fe railroad from Perry about 9:00 o'clock for Kansas City. Here we were joined by ten other trip winners from other parts of the state.

We arrived in Kansas City, Tuesday night. The next morning we were taken to the Long View Stock Farm, near Lee Summit, Missouri. This is a large farm of about seventeen hundred acres owned by Mr. Long, President of the Long-Bell Lumber Co. This is considered to be one of the model farms of America. From there we were taken to the Columbia Stock Farm, which raises some of the champion Poland China Hogs and Short Horn Cattle in the world. We then returned to Kansas City and left for Chicago that night. We arrived in Chicago Thanksgiving morning and secured rooms in the Y. M. C. A. Hotel.

We then took a tour of the lake front, after which we took the elevator to the top of Wrigley Building, which is thirty-two stories high.

On Friday we went to the International Live Stock Show, where the live stock judging contest was held. We also went through the various departments where we saw some of the best livestock in the world. One of the exhibits in the Shorthorn Cattle department was a herd of prize winning shorthorn from Canada, owned by the Prince of Wales. We also saw many exhibits from Oklahoma in the swine, cattle and grain departments.

On Sunday we met the remainder of the Oklahoma trip winners and made plans for the coming week.

Monday we visited the Field Museum of Natural History which has many relics that date back as far as 1000 B. C., until the present time. There were many relics from South America, showing the advanced civilization of the ancient tribes. From there we went to the Art Museum where we saw many valuable paintings and statues.

Tuesday we visited the International Grain and Hay Show where we saw some fine exhibits of various kinds of grains. In the Milo and Kafir departments the Oklahoma exhibits received first prize. Later we took a car and visited the Lake Shore Drive and visited the Lincoln Park Zoo and Tropical Gardens. We then took an elevator to the Observation Tower of the Strouse Building in Chicago.

On Wednesday we went to the New Chicago Theatre which is one of the finest theatres in the world, we also took a tour along State Street, which is one of the busiest streets in Chicago.

Thursday we visited the Chicago Board of Trade where thousands of bushels of wheat are handled daily. From there the club members were taken on a special train to the Montgomery Ward and Co., Plant where we were taken through the various departments and after a speech by the president of the company we were given a banquet. We then took the train to the livestock show where the two thousand club boys and girls paraded before the President of the United States.

At 10 o'clock, Friday morning, the Oklahoma delegation left for home. We changed trains at Kansas City. Here we were given a special car the remainder of the way home. There was much Club spirit shown on the way, we all joined in songs, yells and speeches. We parted at Perry, the rest going to Oklahoma City. We arrived in Covington about noon and reached home about 2 P. M., Saturday.

The Girl's Glee Club was organized in the spring of 1919. Mrs. R. D. Eaton organized the first club which included all the girls of the school. She has been the directress of Glee Clubs up to this year, except the final semester of 1923. At that time the clubs were supervised by Miss Swartz. This year Prof. Garret has charge of the organization. Mrs. G. Harrington is the accompanist.

The Girl's Glee Club has made a good record by winning the Cup in the County Literary Meets in the years of 1919, 1920 and 1921. They won second place in 1922 and 1923.

Garber High School has a splendid Girl's Quartet, who are also members of the Girl's Glee Club. They have appeared on many programs in town and on Commencement programs.

Each year the Girl's Glee Club has put on either an Operetta or a concert, assisted by some of the High School boys. It consists of about thirty members.

There has been a Boy's Glee Club in G. H. S. for two years, which has been interfered with by athletics. There are about twenty-five members this year. The boys, this year, are especially interested in the work under the supervision of Prof. Garret.

Prof. Garret has charge of the Glee Clubs, Tuesday, of each week. Garber believes that the Boy's and Girl's Glee Clubs will make a good showing at the County Literary Meet, this spring. Besides giving his time for the benefit of the school, Prof. Garret also spends three hours, each week, rehearsing the Ladies' and Men's Glee Clubs of the town.

—Lillie Campbell.

This is the second year that Prof. Kachelski has come to Garber High School as teacher of stringed and reed instruments. The work that Prof. Kachelski has done and is doing for G. H. S. is greatly appreciated by all.

As I have taken lessons from Prof. Kachelski I know that he is a very efficient teacher of any variety of reed and stringed instruments.

If students are interested in music, it would be well worth their time to patronize Prof. Kachelski.

A BUSINESS EDUCATION IS A NECESSITY

For Young Men and Young Women who would accomplish the most in this life, a **Business Training is a Pre-Requisite.** A business education is necessary in order to the greatest accomplishment, because every activity in life involves business principles. The business world is clamoring for ambitious young men and young women who have proven their far-sightedness by preparing to do what it wants done. Bookkeepers, stenographers, typists, secretaries, accountants, managers, salesmen, executives, are in demand everywhere. Young people who are qualified to hold such positions are in demand, while the untrained are begging for just any-old-thing-to-do.. THE ENID BUSINESS COLLEGE is more than a quarter century old. It is the Oldest Business College in Oklahoma. It is fully accredited by National Association of Accredited Commercial Schools. Its graduates are in demand in excess of the supply. It is a personal interest school. Enroll any time. Prepare for a good position and receive it at any time at the hands of this reliable business training institution.

No sleep was allowed in the suite of the Garber teacher's at Oklahoma City until Mrs. Harrington's daily cross-word puzzle had been solved.

Bettie, in studying algebra, came across a word which she did not know the meaning of, so she asked Jimmie D., what a cubic yard was.

Jimmie: "I don't know, but I guess it is a yard where the Cuban children play."

CROSS-WORD PUZZLE FANS

Mrs. Eaton so they say,
Works cross-word puzzles every day.
Mrs. Harrington is a fright,
She works them till way late at night.

When the kids come starved to death,
They scream for their ma's till out of breath.
But then their ma's are so absorbed you see,
They only say, "What's a four letter word for me?"

When "hubby" comes and wants a meal,
They just remark, "What's a word for veal?"
So on they go from morn till night,
Neglecting all that's in their sight.

Of all the fans that ever are,
These two have them skinned by far,
So let's all unite as one,
And help until their work is done.
